

Shortcut route

(not for caravans and carcaravans >5m.)

Coming from Faro, Albufeira IC1 (IP1/E1)

Coming from Faro take the motorway Via do Infante (A 22 Spain – Sagres). Take exit 9 Lisboa, Ourique, IC1. Follow the IC1 until you see the exit to Sao Marcos da Serra at your right. Take this exit and cross over the IC1. When you come below, go to your left and then immediately to the right, again on the IC1 in the direction of Portimão (so you go back from where you came from). After 200 m you see at your right a garbage container and a water point. Turn right there and follow the road. Follow the road straight to the sign "dead-end". There turn right and down. The road becomes a dirt road. Drive under the railway bridge and follow this road until you reach the top. Then you can see the campsite straight ahead. Go to the left down and after 100 meters you will find the entrance of the campsite.
